Head of School: Mrs Louise Watkins

8th March 2021

Dear Parents and Carers,

Good morning and thank you for your support today in making the start of school safe and secure. It is great to see all of our children back together!

We would just like to share further information relating to before and after school child care:

Child care provision at the beginning of the day:

- For parents who have booked child care provision before school please arrive at 8.30 to access this. Staff have been allocated specifically to support children booked in at this time.
- For parents of Junior children needing 8.30 childcare support- please make sure that your child knows they are accessing this so that we can make sure that they are directed appropriately.

Child Care provision pick up at the end of the day:

In order to support safety for children, staff and parents with increasing numbers needing to access provision after school we plan initially for the following:

Junior Children:

- Parents will come to the Academy main reception area for collection.
- Staff members will organise collection of the children from their bubbles.

Infant children:

- Parents will come to the Year 2 playground door via the playground gate and will be met by staff.
- Staff members will organise collection of the children from their bubbles
- Parents will then continue round onto the playground and follow the one way system off site.

We hope that this information is useful in staying safe.

Yours Sincerely,

P Reid

Head of School OCPJA

L Watkins
