

Dear Parents and Carers,

We have reached the end of a very busy and successful half term. Here are just some of our recent highlights.

Careers Day

All of the children (and staff!) really enjoyed our first 'Careers Day' yesterday! It was wonderful to see the children so inspired about the roles that they would aspire in the future. As well as being lots of fun, the day helped to develop the children's understanding of the vast range of exciting possibilities that will be open to them as they grow up. We saw Astronauts, Microbiologists, Artists, Paleontologists to name but a few! How fabulous it was to see so many of our children being inspired by our local NHS heroes too!

Thank you so much for your support in making this day such a success and we hope to make it an annual event! Special thanks too to Mrs. Tanner, who organised this event for our children. Please take a look at the websites for further photos from the day!

Mathsolympics

We are very excited to announce that our Year 5 Team have been victorious in the Trust-wide Primary Mathsolympics!

In their journey to become champions, our team had to answer a wide range of maths problems but also to present and be excellent ambassadors for our school. We are very proud of them our team and know that you will be too!

Thanks to the Year 5 Team and also to Mr. Walsh (our Maths Lead) for their support of this event.

National Numeracy Day

Wednesday 19th May was National Numeracy Day, and we arranged lots of maths themed activities to encourage the children in their use of numbers. The aim of the day is to give everyone more confidence in their use of numbers and maths in every area of life, and we certainly achieved that, as you can see from these photos!

Congratulations also to Warren and Macey Westrup in Years 2 and 4, who won the national OAT 'Make Your Favourite Number' competitions for their age groups!

Staffing News

Mrs. Brooks

We were delighted to welcome Mrs. Brooks back to school recently, following her maternity leave. It is lovely to have her back in Cricket Class on Thursdays and Fridays.

Welcome to Ms. Murdoch

We are pleased to welcome Ms. Murdoch to our Teaching Assistant Team. She will initially be working in Year 1.

Mrs. Huggins

It is with sadness that we have to say goodbye to Mrs. Huggins today as she leaves us to take up a new role, working for Norfolk County Council. Over the past seven years she has given so much to our schools and we will miss her but wish her every success in her new venture. We are sure that you will join with us in wishing her every happiness for the future.

Arrangements for after the Half-Term break

Please refer to yesterday's important letter regarding the changes to the school day after the Half-Term break. A polite reminder that the gate will close at 8.50am from June 7th so please try to ensure that your child is here on time.

And finally...

Thank you all for your continued support throughout this Half-Term. We wish all our families a good Half-Term Break and hope that we will all be able to enjoy some sunshine at last!

Key dates for next Half-Term will follow during the first week back.

We look forward to seeing you on Monday 7th June.
